

Discussion Prompts for Breakout Session 4

This is only an indicative list of questions. Please feel free to guide the discussion as you consider appropriate.

Action Track 4 - Advance Equitable Livelihoods

- How do we increase employment and incomes for farm-centric, sustainable rural livelihoods?
 - Repurposed agricultural supports and subsidies?
- How do farmers realise better prices?
 - Market reforms, infrastructure and linkages?
 - Support prices?
 - Strengthened local food value chains, wet markets?
 - Individual and collective enterprises?
- Should this be complemented by a welfare approach?
 - Universal Basic Income or Direct Benefit Transfers?
 - Interest subvention?
- Any other suggestions that AT4 must include in its mandate?
- Any suggestions for other Action Tracks?
